Allowable Subject Matter

Claims 1-12 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art does not teach or suggest the use of controlling the speed and position of an optical member based on predetermined normalized position data and normalized speed changing ratio within the predetermined normalized range that represents the movable range of the optical apparatus.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
